Two-In-One Solution  
Surgical Suction

CAPABILITY  
STATEMENT

Disposable Clog-Free Tip and Poole Suction

## CAPABILITIES

Since 1987 SurgiMark has focused on a versatile, universal solution for basic surgical suction that replaces uncleanable steel reusables and flimsy plastic disposables while reducing costs, consolidating inventory, and streamlining supply chain management.

- **One Universal Solution** for VA and DOD Medical Centers at home or in the field—land or sea.
- **Clog-Free Performance** that excels beyond steel reusable and typical plastic disposable suction instruments.
- **Disposable** means always clean and sterile, eliminating costly reprocessing and SSIs caused by unclean instruments.

## DIFFERENTIATORS

- **Patented** Technology with Clog-Free Performance.
- **Two-In-One** Consolidates inventory.
- **Distribution** Prime Vendors, Distributors, and Direct GSA.
